Truking Technology Limited Company Introduction

- Who we are?

- What we do?

Truking Locations

- **Changsha**
 - Major Manufacture base
 - National standard R&D center
 - Truking Feiyun

- **Changchun**
 - Water Town

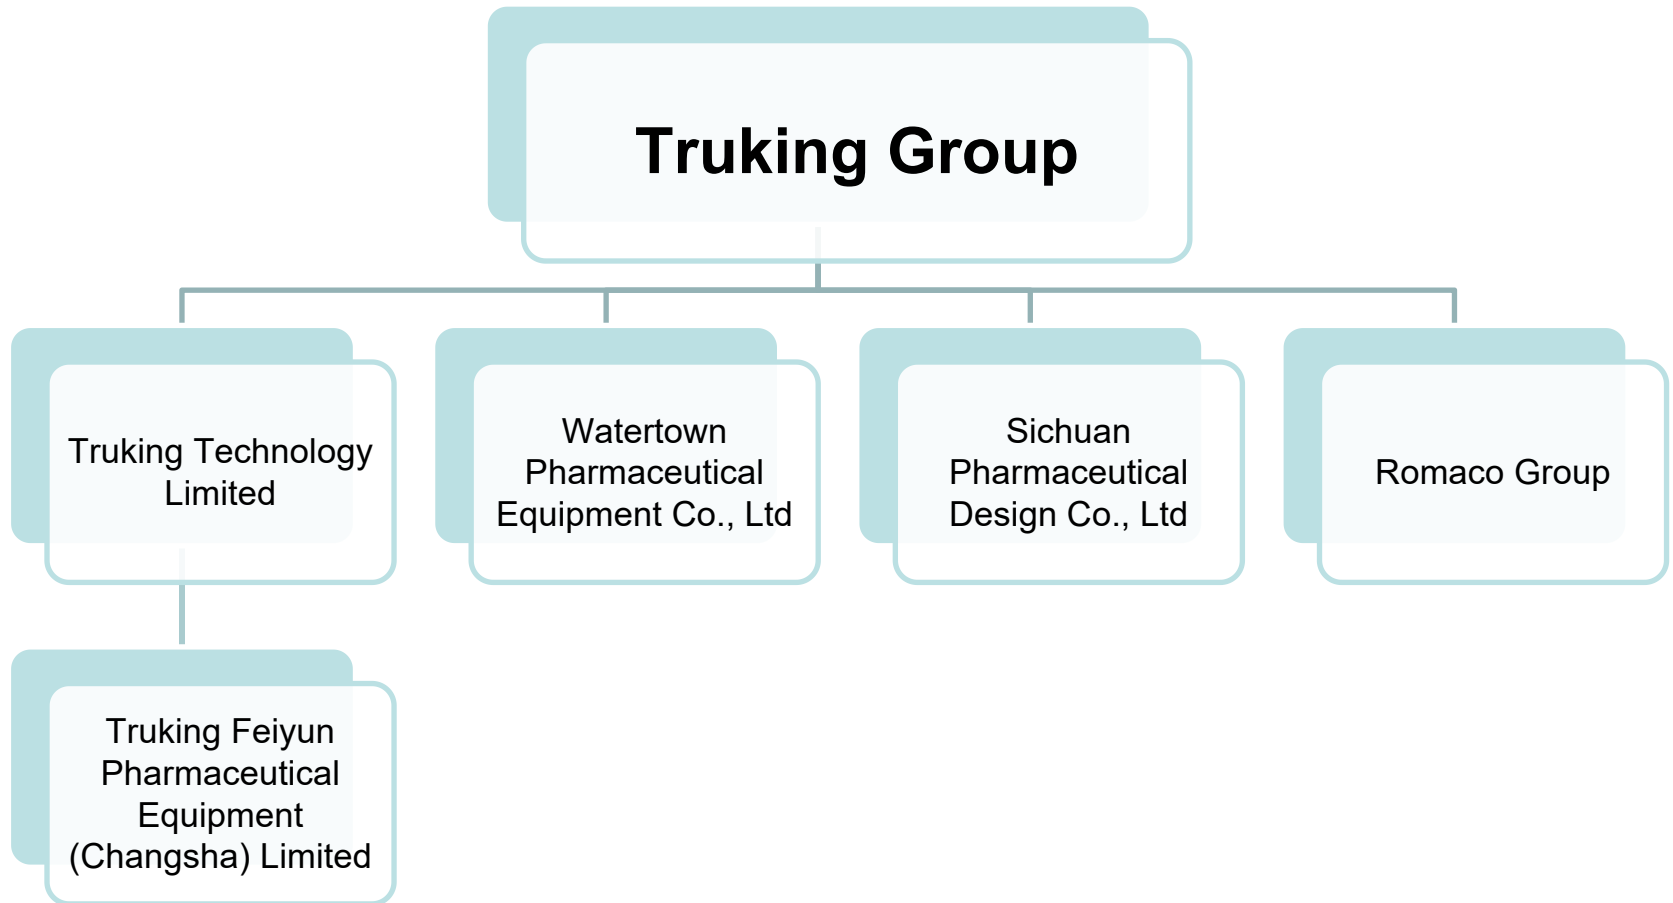

- **Shanghai**
 - Branch Office

- **Chengdu**
 - Sichuan province pharmaceutical design Co.Ltd.

- **Italy**
 - Service center
- **Russia**
 - Service center
- **Korea**
 - Service center
- **Mumbai**
 - Branch Office

TruKing Development History

Truking Development History

TRUKING products:

- **SVP-- Ampoule filling line**

- **SVP-- Vial liquid filling line**

TRUKING products:

- **SVP-- Vial powder filling line**

- **SVP-- Inspection machines**

Automatic Inspection Machine

- **SVP-- Cartridge filler**

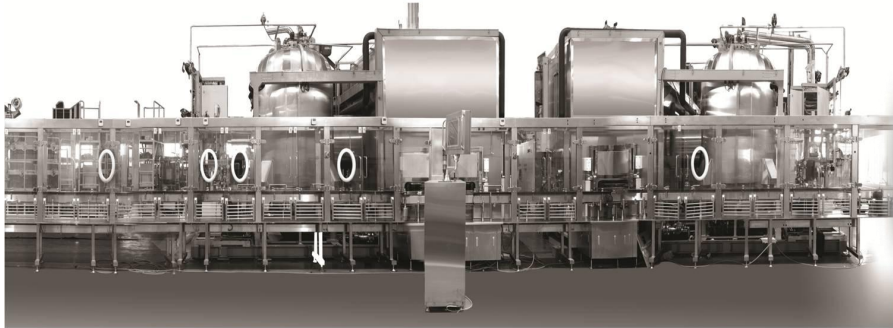

- **SVP-- Prefilled Syringe filler**

TRUKING products:

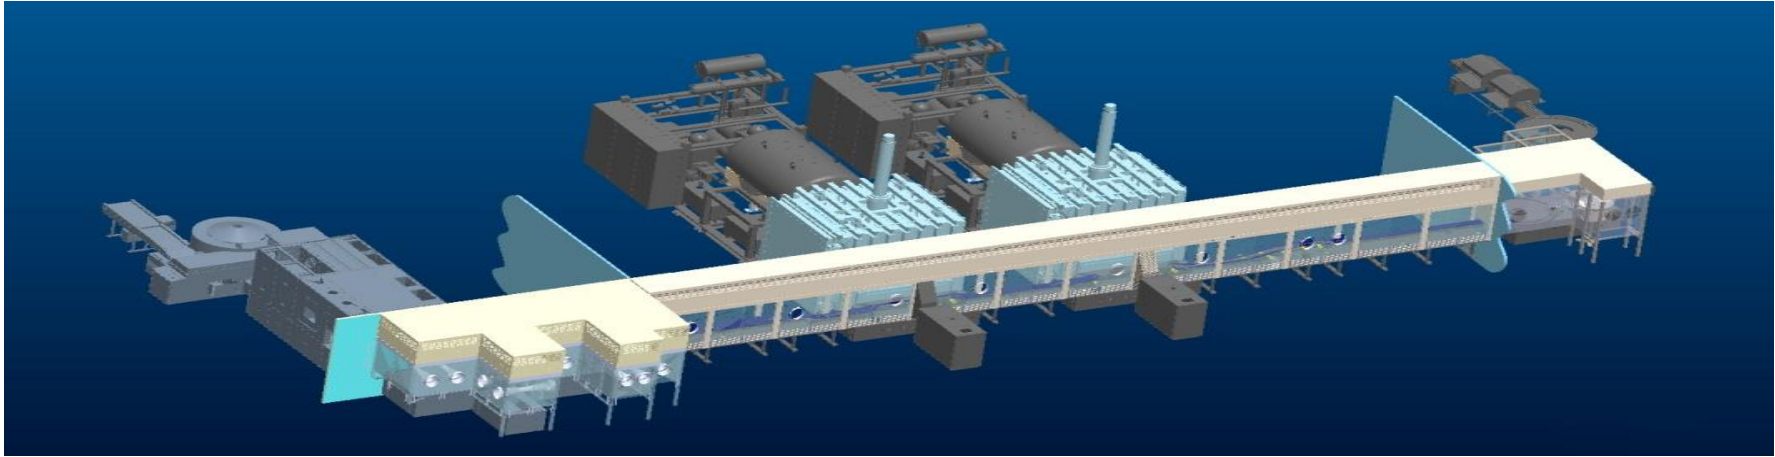

- *Freeze dryers*

- *Loading & unloading syetem*

- *lyophilization integral solution*

TRUKING *products:*

- *Freeze dryer with RGV Loading & unloading system*

o X-Ray Inspection Machine

TRUKING products:

- *Isolator for filling lines.*

TRUKING products:

Compounding isolator

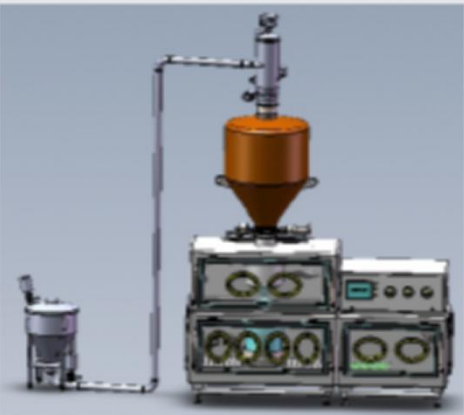

Sampling isolator

Weighing & filling isolator

Integration isolation system with filtration, drying, weighing and filling process

TRUKING *products:*

• **BFS**

TRUKING

TRUKING products:

- **Purified Water Generator**

- **Multiple-effect Water Still Pure steam generator**

- **Formulation system**

TRUKING products:

- *LVP--glass bottle filling line*

- *LVP-- soft bag FFS machine*

TRUKING products:

- ***Automatic Blister Machine***

- ***Cartoning Machine***

- ***3D Wrapping Machine***

- ***Case Packer***

Product Portfolio

- Steam Sterilizers
- Steam + Air Mixtures

- Dry Heat Sterilizers
- Super-heated Water Sterilizers

Autoclaves
